Parenting Heart to Heart Facilitator's Training

Change the Future of Humanity with this revolutionary parenting course.

Learn to facilitate a course that helps parents connect from the heart with their children.

Help children grow into active creators of a fair, peaceful and sustainable world.

Training for parents and professionals

This facilitator training is for people who work with children and families, and all who know and care deeply about how we treat children and their importance for humanity's future.

Through this transformational course, you will:

- Learn the true nature of humanity's treatment of children
- Re-connect deeply, in a gentle, loving way with the primary source of empathy for children – your own personal childhood history and childhood feelings
- Generate empathy for yourself, all children and their parents
- Discover leading edge developmental neuropsychology, and new understandings about healthy attachment and healthy differentiation
- Master practical skills for helping parents and families to find more pleasure and fulfilment in their relationships

Remarkable
4 day workshop
